LEGALS

The Open Meeting Act requires all meetings of public bodies to be preceded by advance public notice specifying the time and place of each such meeting. A public body is defined as governing bodies of municipalities, boards of county commissioners, boards of public and higher education, and all boards, bureaus, commissions, agencies, trusteeships, authorities, councils, committees, public trusts, task forces or study groups supported in whole or in part by public funds or entrusted with the expending of public funds, or administering public property, and shall include all committees or subcommittees of any public body [25 O.S. § 304]. The record keeper of these notices depends on the type of public body. The Secretary of State is the record keeper for all state public bodies.

ORANGE COUNTY'S NEIGHBORHOOD STABILIZATION PROGRAM 3 ACTION PLAN PUBLIC NOTICE

The Orange County Housing and Community Development Division will receive an allocation of \$11.5 million under the Neighborhood Stabilization Program 3 (NSP3) which was approved under section 1497 of the Wall Street Reform and Consumer Protection Act of 2010. The main purpose of the NSP3 is to stabilize neighborhoods that have been negatively impacted by foreclosed, vacant, and abandoned properties. The program will allocate financial resources to mitigate the impacts of foreclosures on neighborhoods and provide opportunities for very low to moderate income families to achieve home ownership or secure affordable rental units. After a comprehensive assessment of potential target areas, Orange County has selected the Pine Hills/Orlo Vista neighborhood to implement the following NSP3 activities:

1. Purchase and rehabilitate residential properties for sale, rental or redevelopment;
2. Use of financing mechanisms such as down payment assistance, lease purchase, and gap financing, to purchase, redevelop, and sell residential properties
3. Demolition of blighted properties
4. Redevelop demolished or vacant properties as residential properties

Orange County will amend its 2010-2011 Action Plan to incorporate the NSP3 plan and expedite program implementation. The NSP3 plan will be available for public review and comment from January 27, 2011 through February 14, 2011 at the following locations and website:
